

## **PG Blackout**

Date of Birth: 03/01/2012 **Registration 1:** CI316644

Breeder: KENT AND CHRISTINE BLADEN

Owner: Wade Wagner

This fantastic girl is our best! She is about three-quarter inches shy of 80 inches! (and that is after she broke 4 inches off of her left horn a few years ago). The fantastic bull LC Bladen on top and KC Clarabelle on the bottom. She really is something special. Four black and white heifers in a row!
